# WHY MERFOLK?

WELL???

# IT DEPENDS...

Like Fish?

No penetration, some rubbing, varying body sizes and disabilities

Like Sharks and Eels?

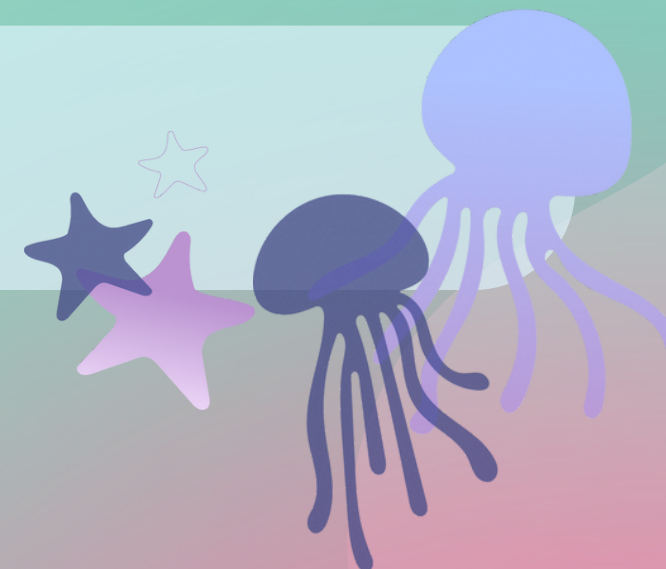

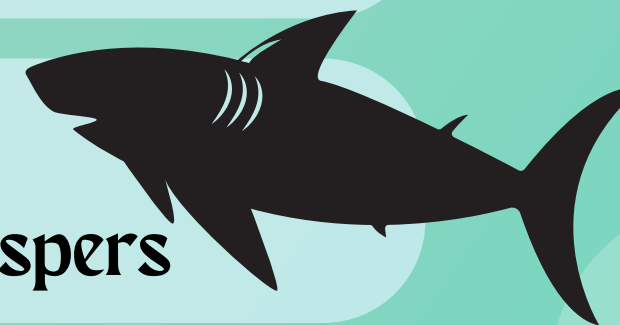

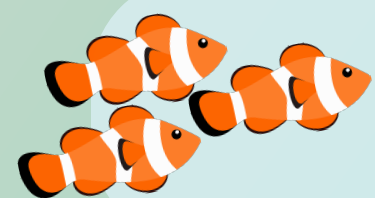

Rough with biting and tumbling, with cloacas and claspers

Like Clownfish?

Nonbinary, Trans, Intersex and Expansive

Like Sea Stars and Jellies?

Asexual Spectrum

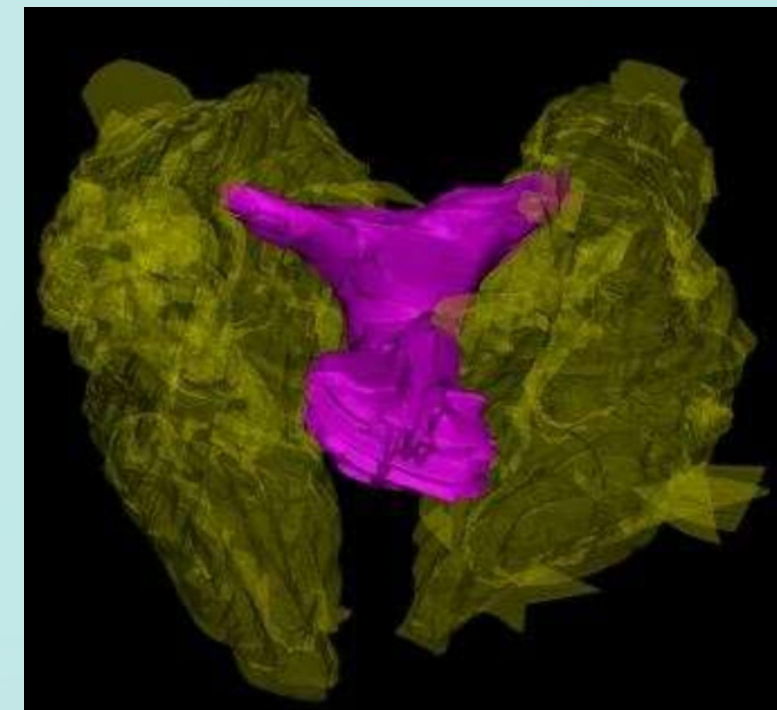

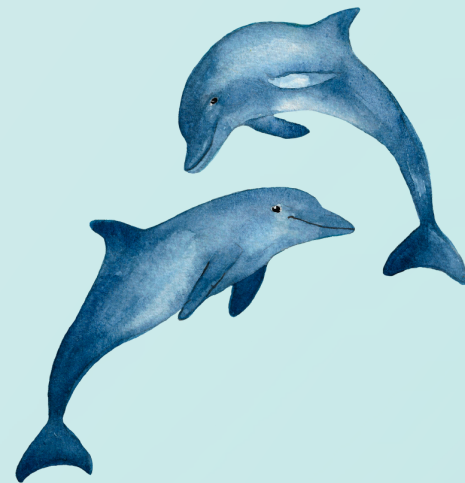

# IT DEPENDS...

Like a Marine Mammal?

Genital slip or fold covering sexual organs, including the clitoris

Sex for recreation and pleasure

Dolphin orgies and homosexual behavior

Biology is extremely diverse. Our imaginations can be as well.
